

Due to construction changes as part of the grounds improvement this year the layout of the grounds will be different than past years. The most relevant change is that there will be no stakes, rods, nails, etc allowed pounded into asphalt covered ground. Be prepared with other weight systems to secure your tents, etc. Vendors not complying will be responsible for damages to the asphalt.

As always only Pepsi products can be sold on the grounds for contractual reasons with Winnebago County parks department.

Set-up days are July 27 and 28. Event dates are July 29 to August 02, 2026.

No vehicles will be allowed entry to midway area after 10:00am daily. No camping wis allowed inside fenced grounds area without permission from the fair office.
